DELIVERING AN EXCLUSIVE AUDIENCE OF LOYAL READERS

For over 75 years, local businesses as well as nationally recognized brands have turned to a single source to market their products and services to the affluent Long Island, New York market—Newsday. Today, Newsday has evolved into more than a newspaper, engaging its audience 24/7 and on the platforms of their choice: print, digital, data and experiential marketing. Newsday offers unparalleled coverage with a 1.1 million weekly audience, reaching nearly half of all households on Long Island. Newsday has been honored with 19 Pulitzer Prizes for award-winning journalism and unsurpassed coverage of national, international and local news stories.

The Market

An island with big buying power

The largest island in the contiguous United States, Long Island is home to nearly 3 million residents and some of the most affluent areas in the country. According to Forbes magazine, more than 25 of the nation’s wealthiest zip codes are located on Long Island and in New York City. Considered one of America’s largest gateways, Long Island boasts America’s busiest commuter railroad, 3 commercial airports, 9 bridges, 13 tunnels and ferry services to surrounding states. The Island plays a prominent role in American business, with growing workforces in health and education, technology and manufacturing, business services and hospitality. Long Island is also the headquarters of some of America’s best known publicly traded companies.

Preprints

From receipt to response, Newsday’s Quality Assurance Process is your assurance of secure preprint distribution. Preprints and coupons are a great way to attract new customers, stimulate trial and increase sales. But they can also be a target for fraud and misuse. That’s why it’s important to entrust your preprints to a distribution vendor with an outstanding record of control and security.

At Newsday, we take the utmost care to ensure your preprints are continually monitored from the time they enter our warehouse until the time they are distributed to consumers. We are committed to delivering valuable preprints to our readers, while also delivering valuable solutions that protect the integrity of our partners’ products.

- World-class quality assurance program deters preprint theft and misuse
- Virtually error-proof preprint insert production and delivery*
- Print and deliver a variety of direct-to-home print materials
- Total market coverage or key saturation by date/area
- Targeted distribution of circulars, catalogs, product samples, and other inserts (within postal regulation guidelines)

Branded content represents an increasingly popular and effective means of promotion for marketers. Custom content in the form of articles, photo listicles and video productions helps marketers bring their brands to life. Storytelling—using this print and/or digital form of advertising—is more organic, authentic and memorable, with compelling copy and visuals that increase viewability and shareability. With branded content/native advertising, marketers control the media and the messaging to offer actionable information about their brands.

Custom Print & Digital Content

- Print and/or digital article pages turn custom-created or supplied information into a one-time or series of educational and informative content
- Photo listicles are ideal for graphically depicting aspirational and action-oriented tips, posing and answering questions, or providing detailed instruction
- Video galleries reinforce messaging with entertainment and information for tutorials, step-by-step instructions, client testimonials, location tours and more

Live Events—Consumer and B-to-B

- Signature and custom events bring brands to life and promote interaction
- Align with Newsday and amNewYork’s branded events to leverage interest and attendance
- Newsday’s Brand360 may also work with you to create custom consumer and/or B-to-B events

Contests & Sweepstakes

- Highly interactive, shareable across social networks, and serve as excellent publicity for your brand
- Offers measurement, data capture, and name collection
